

Test Contract

The Party of the First Part [PFP] hereby agrees to pay the Party of the Second Part [PSP] everything the PFP has earned, will earn, or avoids earning from now until the End of Time (as defined in Addendum Z) without limitation or recourse.

In return PSP agrees to confer on PFP absolutely nothing. Ever. Except, on occasion, when PSP engages in rubbing the nose of the PFP in said agreement and engaging in public humiliation of PFP.

Get over it.
